

TIDELINE FABRIC

UV-PROTECTIVE FABRIC

THE FABRIC

Item No.: Nylon Matte Super Dense

Weight: 180G

Width: 160CM

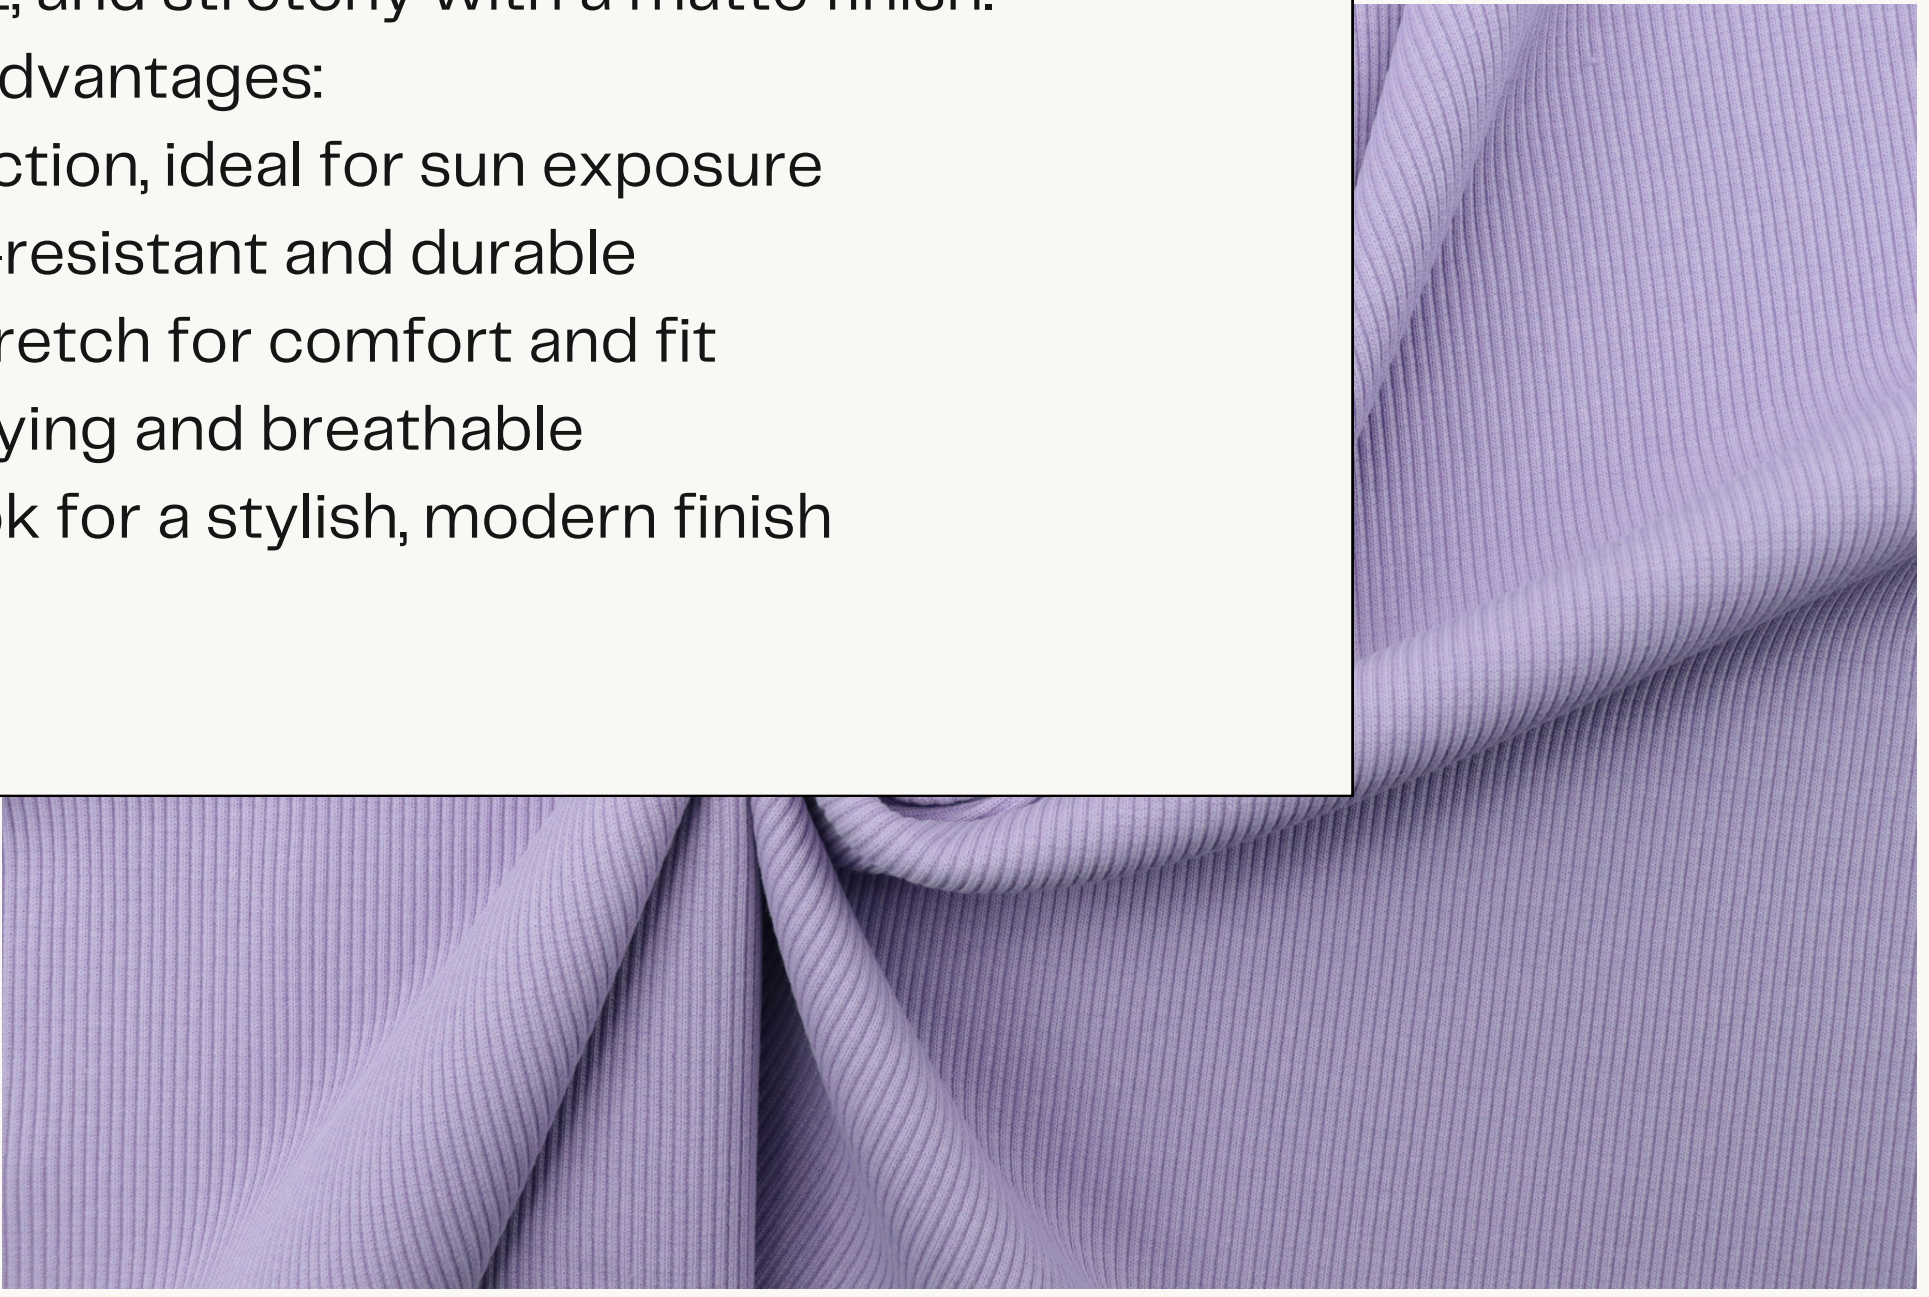

Composition: 87% Nylon, 13% Spandex

A close-up photograph of a vibrant blue fabric, likely swimwear, showing its smooth texture and a slight fold. The fabric is set against a background that includes a glimpse of a tropical beach scene with palm trees and water.

TOUCH & FEEL:

Smooth, soft, and stretchy with a matte finish.

Swimwear Advantages:

- UV protection, ideal for sun exposure
 - Chlorine-resistant and durable
 - 4-way stretch for comfort and fit
 - Quick-drying and breathable
 - Matte look for a stylish, modern finish
- 
- A close-up photograph of a light purple fabric with a vertical ribbed texture, showing its soft and stretchy nature. The fabric is folded, creating deep creases that emphasize its texture.
